

Yeh kaun yeh kaun
Yeh kaun chali jati hai
Yeh kaun chali jati hai
Kaun chali jati hai
Jiski aahat kuchh nach rahi
Kuch dheeme dheeme gaati hai
Yeh kaun chali jati hai
Ban ki chab aur chhabili
Ban ki chab aur chhabili
Matwali si ban hai jhoom rahi
Jhoom rahi hai jhoom rahi
Path ki dhuli ke khawab jage
Chanchal charno ko chum rahi

Kuch khoi si kuchh choki si
Yeh kaun chali jati hai
Sakhi piya milan ko aati hai

Bansibat par bansidar se
Bansi kuchh ajab sunai

Birhan byakul ho kunjo mein
Uski dhun bankar aaye
Birhan byakul ho kunjo mein
Uski dhun bankar aaye
Mitti masti itrati
Is preetam ko apnati hai

Brijbasi sab puchh rahe hai
Brijbasi sab puchh rahe hai
Kite gayi woh chori
Kite gayi woh chori
Keh doon kaise
Keh doon kaise
Shyamne rang mein
Shyamne rang mein
Dubane gayi gori
Rasiya sang raas rachati hai
Sakhi piya milan ko aati hai.
