

Meri dushman hai yeh meri uljhan hai yeh
Bada tadapati hai dil tarsati hai yeh khidki
Khidki yeh khidki, yeh khidki jo bandh raheti hai
Yeh khidki jo bandh raheti hai

Meri dushman hai yeh meri uljhan hai yeh
Bada tadapati hai dil tarsati hai yeh khidki
Khidki yeh khidki, yeh khidki jo bandh raheti hai
Yeh khidki jo bandh raheti hai

Lagta hai mela na jaane kahan
Ashiq jama hotey hai yahan

Arey sabko pata hai yeh dastaan
Is ghar me hai ek ladki jawan
Ankhen jhuka ke guzro is gali se
Aane jaanewalon se kaheti hai
Yeh khidki jo bandh raheti hai
Yeh khidki jo bandh raheti hai

Gham ki ghata hai ye chhat jayengi
Baaho se deewar pahat jayengi
Jab samne se ye hat jayengi
Ghunghat main gori simat jayengi
Ik roj khul jayengi tut ke ye kitani
Nazro ke tir sehati hai
Yeh khidki jo bandh raheti hai
Yeh khidki jo bandh raheti hai

Aaye kabhi chaubharey main woh
Kuch sochey mere bharey main owh
Arey baaten karen jo ishare me woh
Baithi kadi chaubarey main woh
Us paar woh hai aur is paar main
Nadiya beech main baheti hai
Yeh khidki jo bandh raheti hai.
