

Kuch dino se yeh dil kahi bhi lagta nahi hai  
Main yahi pe hoon aur yeh mera dil kahi hai  
Kuch dino se yeh dil kahi bhi lagta nahi hai  
Main yahi pe hoon aur yeh mera dil kahi hai  
Soch raha hoon kya ho gaya hai  
Yu baithe baithe hi dil kho gaya hai  
Yeh kya hua hai, yeh kya hua hai  
Yeh kya hua hai, yeh kya hua hai

Jaane kaun sa rasta dil ne hai chun liya  
Jaane aankho ne kaun sa khwab hai bun liya  
Bekhayali ke saaye bhi sath chalne lage  
Aise hi is tarah se lamhe dhalne lage  
Soch raha hoon kya ho gaya hai  
Yu baithe baithe hi dil kho gaya hai  
Yeh kya hua hai, yeh kya hua hai  
Yeh kya hua hai, yeh kya hua hai

Baat is pal ki agle pal yaad rehti nahi  
Kuch pata na chale ki kya galat kya sahi  
Ja raha tha kahi magar raste mud gaye  
Tum jaha the khade usi mod se jud gaye  
Soch raha hoon kya ho gaya hai  
Yu baithe baithe hi dil kho gaya hai  
Yeh kya hua hai, yeh kya hua hai  
Yeh kya hua hai, yeh kya hua hai

Ho jaane dil ne kya chori chhupke se  
Maange kaisi dua hai  
Kyun juda mujhse dhadkane sari  
Jab se tune chhua hai
