

Yeh kaisa ladka hai, tu tuturu
Yeh kaisi ladki hai, tu tuturu
Iska maein kya karoon, tu tuturu
Isse maein kya kahoon, tu tuturu
Yeh ladta hai, haan haan
Akadti hai, he he
Jhagadta hai, bigadti hai
Deewana hai, deewani hai
But he's your best friend ya
But she's your best friend ya
Haye haye re haye yeh ladka
Haye haye re haye, he
Karta naadaniyaan kyun poocho to haye, yo
Kabhi yeh hamse ladta hai
Kabhi jhagadta hai
Koi paas iske na aana
Yeh ladka hai deewana, hai deewana

Haye haye re haye yeh ladki
Haye haye re haye
Karti naadaniyaan kyun poocho to haye
Kabhi yeh hamse ladti hai
Kabhi akadti hai
Karo door se chhedh khaani

Yeh ladki hai deewani, hai deewani

Iski baatein, yahi jaane
Koi bhi to jaane na
Aisi vaisi, kaisi hai yeh
Koi pehchaane na
To bhaago oh yaaron
Kar na de shaitaani
Yeh ladki hai deewani, hai deewani

Aate jaate, chhedhe hamko
Ke maane na yeh kehna
Dekho dekho paagal hai yeh
Haan bachke zara rehna
Yeh aisa hai phir bhi

Apna isko maana
Yeh ladka hai deewana, hai deewana
