

Hulchal hai kya zid degi, hulchal hai saaso ki hi  
Yeh hi rahe yaa na rahe, jee le  
Har dum umeede hai ki, hai kab toh hogi khushi  
Kuch hum kahe na kahe, sun le  
Duniya kahi toh arman kahi, yeh raahe nahi mile  
Fir bhi yaqeen hai aage kahi mitenge yeh faasle  
Pyar jaha ruk mod waha, na unko jane de  
Khwabo ko utha le, haath badha, yaado se maang le  
Yeh lamhe, ude ude ude re, ude ude ude re  
Yeh lamhe, ude ude ude re

Gum toh jo aate hai, woh ek din jate hai magar  
Yeh din chale gaye toh fir naa aayenge  
Gum ko bulate hai ke hum yeh mausam has has kar  
Mumkin hai sab kuch kuch aise  
Chalta ja woh sab rasta jo manzil ko chale  
Jane kya ho kal apna, jeele aaj me

Yeh lamhe, ude ude ude re

Yu toh hai ajnabee, yaha par jitne hai sabhi  
Inme koi shayad ho apna kya kahe  
Yu toh hai unkahi kahani ab tak ki apni  
Inme koi shyad sun le  
Time pe ho kyu akhir teri yeh zindagi  
Hai udte parinde toh tu bhi ud kabhi  
Pyar jaha ruk mod waha, na unko jane de  
Khwabo ko utha le, haath badha, yaado se maang le  
Yeh lamhe, ude ude ude re, ude ude ude re  
Yeh lamhe, ude ude ude re.
