

Chandh aadha sadha sadha,  
Koyi ghum tho nahin  
Tera vaadha, koi iraadha,  
Ghum se kam tho nahin  
Haan yeh pyaar hai, yeh pyar hai

Hey hey hey..hey hey hey..

Chandh aadha sadha sadha  
Koyi ghum tho nahin  
Tera vaadha, koi iraadha,  
Ghum se kam tho nahin  
Haan yeh pyaar hai, yeh pyar hai  
Haan yeh pyaar hai..yeh pyar hai..

Chandh bhul ke rasta,  
Teri galiyon mein ayaa  
Aur kar ke bahana,  
Chath pe woh muskuraya  
Chandhini mein sab nahaye,  
Bheege hum kyun nahin  
Tera vaadha, koi iraadha,  
Ghum se kam tho nahin  
Haan yeh pyaar hai, yeh pyar hai  
Yeh pyaar hai..yeh pyar hai..

Hosake tho khuda se,  
Do char din aur lele  
Tum na hoge tanha,  
Hum na honge akele

Saath jeele, zindagi mein,  
Waqt kam tho nahin  
Tera vaadha, koi iraadha,  
Ghum se kam tho nahin  
Haan yeh pyaar hai, yeh pyar hai  
Yeh pyaar hai, yeh pyar hai

Chandh aadha sadha sadha,  
Koyi ghum tho nahin,  
Haan yeh pyaar hai, yeh pyar hai

Haan yeh pyaar hai, yeh pyar hai.
