

Hazaro aafte lekar kisi buth par sabab aaya
Jo aaya bhi to yu aaya ke jalim behisab aaya
Ye shor hai gali gali
Ye shor hai gali gali ke wo jawan ho chali

ye shor hai gali gali ke wo jawan ho chali

Nazar mein ek saurur hai ada nashe me chur hai
Ye kah rahi hai sokhiya ke bat kuch jarur hai
Yuhi nahi idhar udhar machi hui ye khalbali
Ye shor hai gali gali ke wo jawan ho chali

Wo mastiya bikherti nazar nazar ko gherti
Yaha waha kaha kaha nigahe naaz ferti
Dilo ko lutti hui chali wo manchali manchali
Ye shor hai gali gali ke wo jawan ho chali

Hasin hai jawan hai kisi ke dil ki jaan hai
Wo kon khusnasib hai ye jisme meharban hai
Jidhar se wo gujar gayi mahak uthi kali kali
Ye shor hai gali gali ke wo jawan ho chali.
