

Yeh zameen yeh aasman
Roshani se nahane lage
Tum saath mein kya aa gaye
Raaste jagmagne lage
Ae humnasheen itna bataa
Kaisi jaadugari hai teri
Jab bhi karu baatein teri
Kyu mehakti hai saase meri

Yeh zameen yeh aasman
Roshani se nahane lage
Tum saath mein kya aa gaye
Raaste jagmagne lage

Haa ye na na na
Dekha tujhe toh

Aankhon mein jaise
Koi bijli chamakne lagi hai
Teri wafa ki khusboo se yaara
Meri duniya mehakne lagi

Tere liye aankhon mein meri
Aise sapne sajaye piya
Aise sapne sajaye piya

Yeh zameen
Yeh aasman
Roshani se nahane lage
Tum saath mein kya aa gaye
Raaste jagmagne lage
Hey woho woho woho

Paani tu mera chehra badal de
Meri takdeer ban jaayegi
Kuch rang leke yunhi uda de
Meri tasveer ban jaayegi

Aawaare se hai jhoke hawa ke
Inhe khusboo bana de piya
Inhe khusboo bana de piya

Yeh zameen yeh aasman
Na na na
Roshani se nahane lage
Tum saath mein kya aa gaye
Raaste jagmagne lage

Na na na your my girl
Your my world your my baby.
