

I could spend my life tryin'
Hard to make sense of this world
But i know i came alone
And i'll leave alone
And i don't know where i'll go
But i know that i'll go somewhere

Yeh zindgi chali manchali
Meri bekhudi se kya ye keh gayi
O rehnuma mujhko de bata
Phaili in hawaaon ne
Mujhse kya kaha

Chaar disha se goonje
Teri sada aur koi nahi yaara
Naadan hoon main
Tujhko na maine pehchana

Ooo yeah
This is your life every
Ones watching you
You're the star of the show

lyrics

Yeh zindgi dekho toh zara
Phaila hai ujaala bikhra hua
Teri yaadon ne bus mujhko
Yun chhooaa sulgaa hai yeh pal
Har lamha lagta
Bus dhuaan hi dhuaan

Ooo yeah
This is your life every
Ones watching you
You're the star of the show

Kyon hai darmiyaan
Guzare har zamaana
Koi hai kahan

I could spend my life tryin'
Hard to make sense of this world
But i know i came alone
And i'll leave alone
And i don't know where i'll go
But i know that i'll go somewhere

Yeh zindgi chali manchali
Meri bekhudi se kya ye keh gayi
O rehnuma mujhko de bata
Phaili in hawaaon
Ne mujhse kya kaha

Ooo yethis is your life
Every ones watching you
Ooo yethis is your life
Every ones watching you
Ooo yethis is your life
Every ones watching you.
