

Yelliruve Hariye Song Lyrics

Kurukulada hiriya
Ide nimma kulachariteye
Mahamahima gurugale
Ide nimma samskaarave

Sabhyateya seereyanu
Selevaaga durularu
Talebaagi kulitavaru
Purushapungavree
Neenelli purushottamaa
Neenelli purushottamaa

Elliruve hariye dwaarakeya doreye
Ee abale more kelli barabaarade
Apavaadavideye apamaana sariye
Sodariya gati nodi dayebaarade
Dharmecha arthecha kameecha mokshecha
Endu kai hididavarutalebaagi kuntiharu
Dhahisutide dharm

Karunaakaraa neenallavee
Kaarunyavu ninagillavee
Seragoddi bedidaru karavoddi koogidaru
Kelisade kaanisade rakshisade elliruve

Sokkeri meredavara mukutagalu uruli
Mannalli mannagi mareyaagali
Nanna shaapagniyu
Manujatva maretavaru
