My crew is so savage
If you act up, you get slapped up

My chain gold my flow hot
But when we come through we come cash up
My fans crazy ask these ladies about ganghis
When i'm on the stage they all screaming

They screaming like they need me
They all wanna be down
They grant me wishes like a genie
I put in work
But i guess i make it look easy

Neele ne nain tere lipstick gulabi
Peena ha chaunde tainu pakke sharabi

Neele ne nain tere lipstick gulabi
Peena ha chaunde tainu pakke sharabi

Nasha hai bas ikko tere hi deedar da
Yellow rang car da brown..

Yellow rang car da ni yellow rang car da
