

Yenu Swamy Maadana Song Lyrics

Yenu swamy madona
Haage hoythu advana
Hakibitlu kidki baglanna
Yenu swamy madona
Yaarig heli kastana
Onti maadthu loka nannana

Kaase illu kanasuu
Aase beelo vayassu
Yaako devree munisu
Maadi bidu passu
Preethi ulisuu

Uppu tindamele soodara
Kudi wattaru..kudi wattaru
Tappu maadidare soodara
Inta songale ninna nentaru

Uppu tindamele soodara
Kudi wattaru..kudi wattaru
Tappu maadidare soodara
Inta songale ninna nentaru

Duddu beku maga
Rokka beku maga
Kaasu beku maga
Oxygen notinallide

Aasegalu tappu agiruve
Beppu nodu maga
Dhuniyaane duddinallide

Life annu kooda jujalli ittaru
Pandavaru gelle illa
Bank gudisi bankok ge hodaru
Government bidta illa

Byada magane blindu gemu
Byadu timuu barutide
