

Saath hai khushi aur gum
Jaise hai coke aur rum
Bloody apple on mac
Just like jill & jack

Kash hote yuh hi saath saath
We'll be together forever n ever
You & me
Me & you kabhi hoga nahi
But what i wan is you

You & me
Me & you kabhi hoga nahi
But you can only wish that its true

Pyaar impossible
Impossible hai pyaar

Pyaar impossible
Impossible hai pyaar

Din mein ho chandani
Aisa hota nahi
Its just not meant to be

Mein pal tum saal ho
Aisa kamal ho
If you cud be wid me

Haan mil bhi jaye jab bhi nazar
Mile na jaise sab ki dagar
Kabhi to aise hi yun hi agar
Janu na kaise hoga magar

Kash hote yuh hi saath saath
We'll be together forever n ever

You & me
Me & you kabhi hoga nahi
But what i wan is you

lyrics

You & me
Me & you kabhi hoga nahi
But you can only wish that its true

All i wan is you
All i wan is you

And u think i m so cool
And u think i m so fine
When u know really
Know its kinda true
I dont think i m da one for you
Hope is gud .it keeps u going
Dream comes throu
Without even knowing
I m not yours for the takein
So dont keep your heart
Your heart will break in

Kuch dil milte nahi
Dhaage silte nahi
It just not meant to be

BHARAT
lyrics

Ho o u o ooo
Tu mere saath ho
Gup sup ki raat ho
If you cud be wid me

Ho jaise ho khawab aur raat

Hai yeh dil aur dil ki baat
Sang mein hai geet mein saaaz
Saanson mein teri saans

Kash hote yuh hi saath saath
We'll be together forever n ever
You & me
Me & you kabhi hoga nahi
But you can only wish that its true

You & me

Me & you kabhi hoga nahi
But what i wan is you

Pyaar impossible
Impossible hai pyaar
Impossible hai yaar.
