

Heads kaho yaa tails kaho
Par tum toh hamesha meri raho
Heads kaho yaa tails kaho
Par tum toh hamesha meri raho
You are da one only one
You are da one only one

Meri aankho mein
Mere khwaabo mein
Meri dhadkan mein
Meri saanso mein
You are da one only one
You are da one only one

Phulo jaisi tum hansti ho
Inn aankho mein tum basti ho
Tum naajuk ho tum bholi ho
Mere dil ki tum masti ho
You are da one only one
You are da one only one

Abb toh hardam dil kehata hai
Tu meri prem kahaani hai
Sadiyo se tujhe chaaha maine
Abb tune baat yeh maani hai
You are da one only one
You are da one only one

Heads kaho yaa tails kaho
Par tum toh hamesha meri raho
Heads kaho yaa tails kaho
Par tum toh hamesha meri raho
You are da one only one
You are da one only one

Mere dil ne jo socha tha
Sab kuchh janam woh tum mein hai
Chaahat bhi hai ulfat bhi hai
Sab pyaar mohabbat tumame hai
You are da one only one
You are da one only one

Mere dil ne yeh maana hai
Tum meraa saath nibhaaoge
Meri dhadkan ke gito ko
Mere sang sang tum gaaoge
You are da one only one

You are da one only one

Tum dil bhi ho tum jaan bhi ho
Abb toh apana ek hai sapana
Ham dono hain ek duje ke
Bas yahi hame abb hai kehana
Ur da one only one
Ur da one only one

Heads kaho yaa tails kaho
Par tum toh hamesha meri raho
Heads kaho yaa tails kaho
Par tum toh hamesha meri raho
You are da one only one
You are da one only one.
