Sada jo vi ae bas tu ae  
Main paani te tu khoo ae  
Main jisam mahi tu rooh ae  
Main resham te tu roon ae

Vakh hoke vi jawe taan  
Kithe jave sohneya ve das  
Resham de kolo kade roon  
Kisi hor te nigaah kive jaave sohneya  
Ve sanu sohna hi lagda ae tu  
Kisi hor te nigaah kive jaave sohneya

Ve sanu sohna hi lagda ae tu

Dar kad de dil cho shaqa da  
Main dil todeya lakha da  
Je hor kise nu dekhan tan  
Main katal kardiya ankhan da

Chahe rakh le te chahe kite roud de ve maahi  
Saadi tere aa hvale sohni rooh rooh  
Kisi hor te nigaah kive jaave sohneya  
Ve sanu sohna hi lagda ae tu  
Kisi hor te nigaah kive jaave sohneya  
Ve sanu sohna hi lagda ae tu

Tu takat meri aa sahaan di  
Tu manzil meri aa rahaan di  
Tu takat meri aa sahaan di  
Tu manzil meri aa rahaan di  
Main sada liye hi sojava  
Je nig hove teri baahan di

Rab vekheya te nahi kade vaise sohneya  
Je hoya tere jeya hona hubo huu huu
