---

Teriaan gallaan toh sikhaan main  
Heeriye aa jo vi likkhaan main  
Oh ucchiyaan heelaan te toote  
Karti tu kehar phire nitt navein sehar phire

Oye tu vi karein ni karaan jidda main  
Ni teriaan gallaan toh sikhaan main  
Ni teriaan gallaan toh sikhaan main  
Heeriye aa jo vi likkhaan main

Sadde hissey di aa baataan  
Kinu aankhaan ni oh raataa  
Ohthe uncche uncche khwab  
Mere pyaar wale raaj teri awaaz

Kinni sohni kinni mitthi likh chitthi  
Paanvein parhi paanvein sitti  
Tainu jimmevaari ditti dass jaa  
Haara ke jittaam main

Ni teriaan gallaan toh sikhaan main  
Ni teriaan gallaan toh sikhaan main  
Heeriye aa jo vi likkhaan main

Mera pucchh lay tu haal  
Thoda rakkh lay kheyaaal  
Ni main tere naal naal  
Kinna karda peyaar

Ankhiyaan cho tainu dekhaan main  
Teriaan gallaan toh sikhaan main  
Teriaan gallaan toh sikhaan main

Tere sehar di aa gallaan  
Sacchi lehar di aa gallan  
Ni aa taareean toh utte  
Nirvair di aa gallan

Tere te haaye marr mittaan main

Heeriye aa jo vi likkhaan main  
Teriaan gallaan toh sikhaan main  
Heeriye aa jo vi likkhaan main
