

YouTube Blast Lyrics

Industry nu maari janda horn kude
19 vi sadi'da munda born kude
Ho poh de mahine ch pasine aaun laadu
Jede baithke rajai'an vich bohran kude

Mere bappu nu si dasseyan sundardas ne
Thodde munda nayio pandat'an tabahi hoyi ae
Hoye unгла te duniya nachai hoyi ae
Ni kithe mandi si baliye manai hoyi ae

Ni tu aakhdi hundi si ve tu thanda challi janne
Vekh youtube patne te aayi hoyi ae
