

Aur phir yun hua
Raat ek khawaaab ne jaga diya
Aur phir yun hua
Raat ek khawaaab ne jaga diya

Phir yun hua
Chand ki woh dali khul gayi
Aur yun hua
Khwaab ki woh lari khul gai
Chalti rahi benuriya
Jalte rahe andheron ki
Roshni ke tale

Phir nahi so sake
Ek sadi ke liye
Hum dil jale
Phir nahi so sake
Ek sadi ke liye
Hum dil jale

Aur phir yun hua
Subaho ki dhool ne
Uda diya
Aur phir yun hua
Subaho ki dhool ne
Uda diya

Phir yun hua
Chehere ke
Sab nakashk sab dhul gaye
Aur yun hua
Gard the gard mein rul gaye

Tanhaiyan odhe hue

Galte rahe bheege hue
Aansuo se gale
Phir nahi so sake
Ek sadi ke liye
Hum dil jale
Ek sadi ke liye
