

Zahe kismat teri mehfil se
Jo paygam aaya hai
Marzie ishq ki khatir
Sikhata jaam aaya hai
Marzie ishq ki khatir
Sikhata jaam aaya hai

Ye zajbe ishq hai mera
Ke tere husn ka sadka
Ke tere husn ka sadka
Ye zajbe ishq hai mera
Ke tere husn ka sadka
Ke tere husn ka sadka
Lage dil mein lahoon ugla
Jo tera naam aaya hai
Lage dil mein lahoon ugla
Jo tera naam aaya hai

Laga teere mohabbat jab
Dua nikli mere dil se
Dua nikli mere dil se

Laga teere mohabbat jab
Dua nikli mere dil se
Dua nikli mere dil se
Tumhari yad rangin ka
Mujhe inaan aaya hai
Tumhari yad rangeen ka
Mujhe inaan aaya hai
Tumhi ne khat likha majboor hokar
Sauje ulfat se sauje ulfat se
Unhi ne khat likha majboor hokar
Sauje ulfat se sauje ulfat se.
