

Dheer dhanna
Kyun apni bhi ada hain yeh
Dushman peh dil fida hain yeh
Chhina hain chain
Jisne wohi yar hain
Yeh dil nahi dil bas me naa
Kuchh maja hain nau das me
Ruswa hain ras milan
Kaa wahi pyar hain
Kitna tadpayega kitna tarsayega
Kitni rate hame too jaga jayega
Aaja aaja jara aa mita duriya
Tere milne ko ham
Unglio peh din ginte hain
Dus tere intezaar kaa
Dus ha apne pyar kaa
Dus ham bekarar hain
Bas ho ho ho dus
Dhum tannan

Hai yar aaj machale
Pardo me lakh chup le
Apne milan ki ghadiya
Har dam rah gin le
Woh sham kaisi hogi
Najare yeh jab milegi
Masti mein dubi dubi
Hasti naa rahegi

Jaljala manega
Mast phankarega
Justuju kaa safar
Kahi ruk jayega
Phir uthega koyi
Toh basega koyi
Tauba tauba sanam
Din hoga kayamat kaa
Dus tere intezaar kaa
Dus ha apne pyar kaa
Dus ham bekarar hain
