

Rabba aa aa aa
Jamaane se keh do na hamko sataaye
Jamaane se keh do na hamko sataaye
Na chaahat ki raahin mein kaante bichhayee
Bebasi ka yeh aalam kise hum bataaye
Rabba, mere rabba rabba, mere rabba
Rabba, mere rabba rabba, mere rabba
Jamaane se keh do na hamko sataaye
Jamaane se keh do na hamko sataaye
Na chaahat ki raahin mein kaante bichhayee
Bebasi ka yeh aalam kise hum bataaye
Rabba, mere rabba rabba, mere rabba
Rabba, mere rabba rabba, mere rabba

Rabba aa aa aa
Main birha ki maari thi, jag se main haari thi
Vyakul thi tun bin saawariya
Mere jaanotan jaaneman hai tumhaare
Tumhaari hai saari umariya
Do badan mil rahe, log kyun jal rahe
Hum mohabbat ke maare kaha ghar banaaye
Rabba, mere rabba rabba, mere rabba
Rabba, mere rabba rabba, mere rabba

Sanam teri baanhon mein, chaahat ki raahon mein
Kaante bhi gul lag rahe hai
Na jaane adal se jamaane mein kyun ishq ke inteha chal rahe hai

Dil duwa kar raha, yeh sada kar raha
Abb muhabbat mein koyi sitam hi na dhaaye
Rabba, mere rabba rabba, mere rabba
Rabba, mere rabba rabba, mere rabba
Jamaane se keh do na hamko sataaye
Na chaahat ki raahin mein kaante bichhayee
Bebasi ka yeh aalam kise hum bataaye
Rabba, mere rabba rabba, mere rabba
Rabba, mere rabba rabba, mere rabba.
