Naadaan hote hai
Zamaane mein aji aise kai
Naadaan hote hai

Waha le jaate hai kashti
Waha le jaate hai kashti
Waha le jaate hai kashti
Jahaan tufaan hote hai
Zamaane mein aji aise kai
Naadaan hote hai

Shamaa ki bazm mein aa kar
Ke paravaane samajhate hai
Ke paravaane samajhate hai
Yahi par umr guzaregi
Yah deewane samajhate hai
Magar ik raat ke ha ha
Magar ik raat ke yah to
Faqat mehamaan hote hai
Magar ik raat ke yah to
Faqat mehamaan hote hai
Zamaane mein aji aise kai
Naadaan hote hai

Mohabbat sabaki mahfil me
Shamaa ban kar nahi jalati
Shamaa ban kar nahi jalati
Hasino ki nazar sab pe
Chhuri ban kar nahi chalati
Jo hai taqadir vaal haa
Jo hai taqadir vaale bas
Vahi qurbaan hote hai
Jo hai taqadir vaale bas
Vahi qurbaan hote hai
Zamaane mein aji aise kai
Naadaan hote hai

lyrics

Waha le jaate hai kashti
Jahaan tufaan hote hai
Zamaane mein

Dubo kar door saahil se
Nazara dekhanevaale
Nazara dekhanevaale
Lagaa kar aag chup ke se
Tamasha dekhanevaale
Tamasha aap banate haa
Tamasha aap banate hai to
Kyo hairaan hote hai
Tamasha aap banate hai to
Kyo hairaan hote hai
Waha le jaate hai kashti
Jahaan tufaan hote hai.
