

Zara pehchano to main
Kaun kaha se aayi
Zara pehchano to main
Kaun kaha se aayi
Aaj saj dhaj ke meri preet
Dulhan ban aayi
Jaane kyu bahjne lagi mere
Man mein sahnai
Aaj saj dhaj ke meri preet
Dulhan ban aayi

Kitne pyare hai yeh
Aakash ke kale badal
Jaise in pyari pyari aankho
Mein lagta kajal
Jaise in pyari pyari aankho
Mein lagta kajal
Kaisi bal khati huyi jati
Hai gati lehre
Jaise chalne pe khankati
Hai tumhari payal
Bolo kya kahti hai san

San yeh purwai
Aaj saj dhaj ke meri preet
Dulhan ban aayi

Mera tan man mera sab
Kuch hai tumhara sajan
Mujhko prano se bhi pyara
Hai tumhara bandhan
Mujhko prano se bhi pyara
Hai tumhara bandhan
Hatho mein hath liya hai
To nibhana pi tum
Kaise bhulu ab use
Jispe lutaya jivan
Meri aasao ki bagiya
Hai aaj muskayi
Aaj saj dhaj ke meri preet
