

Zara thehar jaao zara thehar jaao  
Tadap ke dil yeh pukaarein  
Zara thehar jaao zara thehar jaao  
Hai koyi hum bhi tumhaare  
Zara thehar jaao zara thehar jaao  
Tadap ke dil yeh pukaarein

Idhar toh dekho tumhaare  
Hi dar ki dhul hun main  
Idhar toh dekho tumhaare  
Hi dar ki dhul hun main  
Jo baag chhod chuke tu

Usika phul hun main  
Hai mujhamein rang tumhaare  
Zara thehar jaao zara thehar jaao  
Tadap ke dil yeh pukaarein

Main hun tumhaara hi  
Ek raaj mujhako pehchaano  
Main hun tumhaara hi  
Ek raaj mujhako pehchaano  
Main hun tumhaari hi  
Aawaz mujhako pehchaano  
Tumhi se aas lagaaye  
Koyi tumhi ko pukaarein  
Zara thehar jaao zara thehar jaao  
Tadap ke dil yeh pukaarein

Chale ho gair ki baahon  
Mein daalake baahein  
Magar yeh yaad rahe  
Hum bhi kaun hai kya hai  
Isi taraf ko mudengi  
Tumhaari sab raahein  
Ke laakh jaao kahin tum  
Yahin milenge sahaare  
Zara thehar jaao zara thehar jaao  
Hai koyi hum bhi tumhaare  
Zara thehar jaao zara thehar jaao
