

Hai zara zara hai zara
Ab hua asar zara zara
Zyada nahi bas thoda sa
Hua asar naya zara

Hai zara zara naya zara
Ab hua asar zara zara

Bin bataye woh raat mein
Zindagi ki poshaak mein
Milne aaye the mujhe
Kuchh sawaal kuchh sawaal
Aise uljhe unki chaal mein

Sambhle sambhle hum fisal gaye
Baaton baaton mein hi hue
Hum behaal haaye behaal

Hai zara zara hai zara
Ab hua asar zara zara
Zyada nahi bas thoda sa
Hua asar naya zara

Hai zara zara naya zara
Ab hua asar zara zara

Behke behke gumraah se
Dhundhte the apni raah ke
Khoye khoye hum khud se hi

Mil liye mil liye

Ab mera hai jo haunsla
Udd ke choona hai aasmaan
Sarhadon ke paar ab
Hum mile wahan mile

Hai zara zara hai zara
Ab hua asar zara zara
Zyada nahi bas thoda sa
Hua asar naya zara
