

Dilkashi aur dilbari  
Uski hai jadoogari oh

Dilkashi aur dilbari  
Uski hai jadoogari oh  
Jiski aankhein hai taare  
Tehra jis pal hai saare  
Aye dil yeh sach hai kya  
Aaj woh hai kya, aa hi gaya

Zaraa dil ko thaam lo, naam lo  
Keh bhi do hai kaun  
Aa gaya, aa gaya  
Laut ke, dekho don

Jo na samjha koi main wohi raaz hoon  
Jo kisi ka nahin hai woh andaaz hoon

Jo na samjha koi main wohi raaz hoon  
Jo kisi ka nahin hai woh andaaz hoon  
Main samandar se gehra  
Main kahin kab hoon thehra  
Main hoon, jaise dhuane  
Yeh dhuaan kahin hai rukta kahan

Zaraa dil ko thaam lo, naam lo  
Keh bhi do hai kaun  
Aa gaya, aa gaya  
Laut ke, dekho don

Tu nahin hai dhuane  
Ik shola hai tu meri jaan  
Paas tere magar aaungi  
Tujh mein hi jalke marr jaungi  
Mujhko chaha toh paaogi kya  
Main kahan jaaunga mera kya hai pata

Zaraa dil ko thaam lo, naam lo
