---

Charche ta tere hunde rehnde bombay ton ni la  
Kisse vi aa agg wangu kalley vich faile  
Taare wangu chamakda noor naale koka  
Lagda ae meinu kardugi kohinoor foka

Lip te gloss jachda ae red cherry  
Kudi aa kinni zehri zehri zehri zehri zehri  
Lakk ton slim thodi te till ankha gehri  
Kudi aa kinni zehri zehri zehri zehri zehri  
Kudi aa kinni kudi aa kinni kudi aa kinni

Shiftan teriyan ki kara mutiyare  
Tere ton baithe bade chir'an ton ni dil haare  
Jaan kadde gaani lishkora jinni maare  
Ni raah takke jatt da tu chadh ke chabarae

Oh sachchi dassan tere jeha hor billo hai ni  
Kudi aa kinni zehri zehri zehri zehri zehri  
Lakk ton slim thodi te till ankha gehri  
Kudi aa kinni zehri zehri zehri zehri zehri

Kehreyan bahaneya ch jatt nu fasaleya  
Baki saare seher wangu pichhe sanu laa leya  
Gal kitthe taldi ni kaala suit paa leya  
Ni ankhan de ishareyan naal gabru nu maareya

Oo tere picche lad geyya kadde kinne vairi  
Kudi aa kinni zehri zehri zehri zehri zehri
