

Zero After Zero Song Lyrics

Zero after zero we be fuc*in up the comma
We makin pounds makin euros makin dollars
Selling that cocaína we got that gasolina
We bout to make a killing we the biggest ballers
Zero after zero

Kamaye maine paise ye aise nahin
G town maine bana diya rack city
Ab likhayi meri witty jaise cassidy
Paisa meri bhasha i only speak kashmiri

Aas paas mere ghoomte kamine
Mujhe kinare se giraane ke dhundhte tarike
Tum womb mein jabhi the gaane goonjte tabhi se
Jab ye tune hai chali to
Meri goonj hai gali mein dekh

Kabhi na kabhi tu bana kameena
Tabhi ye tujhme kamiyan bhari hai
Tune galatyan kari hai
Yahan nadiya kinare inki arthiyaa jali hai
Inki khatiya khadi hai
Yahan saadiya padi hai

Dekho main to kabhi haara nahin fight par
Hota dope boy agar hota nahi mic par
Khelta jua seedha chillin with the seńorita
Main hoon anitta movin the dua lipa the white girl

Mujhe parwah nahin kya bole kaun kya
Game poora maun tha jab main yahan se gone tha
Kr\$na aaya to khaya hai poora genre
Its been a long time coming some like a pornstar

Karte envy ye andar se
Jangal ye chambal hai
Chalna yahan sambhal ke dawg
Kashmiri gate ke rap har track pe

Bhasad aur platform pe numbers hain dawg

Zero after zero we be fuc*in up the comma
We makin pounds makin euros makin dollars
Selling that cocaína we got that gasolina
We bout to make a killing we the biggest ballers
Zero after zero

Bulaaon mujhe castro cristian
Zero pe zero you know i am back on this shit
Karun main to stack like a math statistic
Jo mujhe kar raha diss hoga masochistic

Ab chahiye sabko ek rollie
Do char car is karobar se slowly
Bane kuch crore to bharegi ab tijori
Har shaam instagram pe daale story

Dikhawa to beta bimari hai
Industry dost yahan jaali hai
Pata hai ye baat par rakhte ye saath
Attention ke to ye bhikhari hai

Main aur mere friends in a moving all the ten kilos aage
Ho rahe senti jo jaake inka pen cheeno
Internet pe ladein boy jab mile
They acting coy jaise inka baap ho benzino

Rapper waale sapne dekhe maine tab se
Jab se main chhotasa balak tha
Pehnu mahenge kapde jo mujhpe nahin jach rahe
Par ab dekh ye louis jab pehle tha palika

Haan jahan dikha vahan gaane mein gaaliyan daalega

Dekho ye gandagi phaila rahe ashleelta dikhha rahe
Tu aise bhi gaane ab ga lega kya?

Zero after zero we be fuc*in up the comma
We makin pounds makin euros makin dollars

We bout to make a killing we the biggest ballers
Zero after zero

Zero after zero we be fuc*in up the comma
