Kar liye kall jithe matt aa lade
Gal lanḍuaan de moore farmaahi ni

Ke aapan beeba kaiyan lai shakeen kaaiyaan lyi aa fukre
Kaaiyaan de azeez dilaan de aaṇ tukde
Dilaan de kareeb taan manaaune hi ni painde
Jedde ukhde te saale fer rahne ukhde

Kude nikla gharo te tika kaan thale laaundi bebe
Husna de mitra te meeh pein ge

Oo jo vi chitt ch chale te ohi kar jayi da
Kade socheya ee ni kude loki ki kehn ge
Oo jo vi chitt ch chale te ohi kar jayi da
Kade socheya ee ni kude loki ki kehn ge

Oo pein hi ni dinde pattu hath wande nu
Laa laan maari de chaaka chakkeaa peya
Tohde lyi mitti aa sanu sona japda
Farmer kude ford haq aale aa

Te vekh khareyaan cho khare savaa lakh warge
Yaar mare saare neeli shat warge
Aṭh so kuṛe di jaan wargi machine
Rim taare parvaan deyaa patt warge

Duniyaan to athree philosophy yaara di
Sunke jawan nave lee pein ge

Oo jo vi chitt ch chale te ohi kar jayi da
Kade socheya ee ni kude loki ki kehn ge
Oo jo vi chitt ch chale te ohi kar jayi da
Kade socheya ee ni kude loki ki kehn ge

O napp laina menu kehnde chakk leina menu
Duniyaan tak kaartii aa gallan bholiyan

22 inchi rakha kole weapon kude
3 3 inch diyan ment

Ke kude kar dende ban saachi gaun nii dende
Dhakk dinde filma vi laun ni dinde
Sochi jara kaisi honi soch bai khaalde di
Karan sarkaraan moore aun ni dinde

Pichran da hai ni pura fark pinde te
Ek bole gal beebaa vi kahenge

Oo jo vi chitt ch chale te ohi kar jayi da
Kade socheya ee ni kude loki ki kehn ge
Oo jo vi chitt ch chale te ohi kar jayi da
Kade socheya ee ni kude loki ki kehn ge
