

Zindagi ek ajab mod pe aa khadi thi
Zindagi ek ajab mod pe aa khadi thi
Aur tum aaye aur tum aaye
Aur tum aaye aur tum aaye
Har khushi saath mera chod kar jaa rahi thi
Aur tum aaye aur tum aaye
Aur tum aaye aur tum aaye

Main har kadam dilbar saath chalu
Thaam ke haaton mein haath chalu

Saari umar daaman chodu na
Door umido ki toodu na
Yaad aake teri mujhko tadpa rahi thi
Aur tum aaye aur tum aaye
Aur tum aaye aur tum aaye
Zindagi ek ajab mod pe aa khadi thi
Aur tum aaye aur tum aaye
Aur tum aaye aur tum aaye
Har khushi ssath mera chod kar jaa rahi thi
Aur tum aaye aur tum aaye
Aur tum aaye aur tum aaye.
