

Zindagi khwab hai, tha hame bhi pata  
Par hame zindagi se bahut pyaar tha  
Sukh bhi the, dukh bhi the, dil ko ghare hue  
Chaahe jaisa tha, rangin sasaar tha

Aa gai thi shikaayat labo tak magar  
Kise kahate to kya kahana bekar tha  
Chal pade dard dekar to chalate rahe  
Haar kar baith jaane se inakar tha

Chad din tha basera hamaara yahaan  
Ham bhi mehman the, ghar to us paar tha  
Hamasafar ek din to bichhadana hi tha  
Alavida alavida alavida alavida.
