

Aadami bulbula hain paani ka  
Aur paani ki behati satreh par  
Tut ta bhi hain dubta bhi hain  
Phir ubharta hain phir se behta hain

Na samandar nigal saka isko  
Na dawarikh tod paayi hain  
Waqt ki moz par sadda behta  
Aadami bulbula hain paani ka

Zindagi kya hai jaanne ke liye  
Zinda rehna bahot jaroori hai  
Aaj tak koi bhi raha to nahin

Saari waadi udas baithi hai  
Mausam-e-gul ne khudkashi karli  
Kisne barood boya baagon mein

Aao hum sab pehenle aaine  
Saare dekhenge apna hi chehra  
Sabko saarein haseen lagenge yahan

Hai nahin jo dikhai deta hai  
Aaine par chapa huwa chehra  
Tarjumah aaine ka thik nahin

Humko ghalib ne yeh duwa di thi  
Tum salamat raho hazar baras  
Yeh baras to faqat dino mein gaya

Lab tere mir ne bhi dekhe hai  
Pankhari ek gulab ki si hai

Baat sunte to ghalib ho jaate

Aise bikhre hai raat din jaise  
Motiyon wala haar tuth gaya  
Tumne mujhko pidoke rakha tha.
