

Dear odiance aaj hum aapko  
Chand par leke ja rahe hain  
He roket is rokect se  
Khubsurat mahbuba

Apne mahbub ke sath  
Chand par utar kar  
Pyar ki masti mein dance karenge  
Hay darling i want to dance with you  
Dance of love dance on the moon

Zindagi meri dance dance  
Bandagi meri dance dance  
Har khushi meri dance dance  
Bekhudi meri dance dance

Husn bhi mera dance dance  
Ishq bhi mera dance dance  
Yar bhi mera dance dance  
Pyar bhi mera dance dance

Raho mein hain tare biche  
Ye chand kitna hasi hain  
Hain chand par mere kadam  
Baho mein chandani hain  
Pahle koi aashik yahan  
Chand na tadpaya

Mujhko mila wo dilruba  
Chand par mujhko laya  
Zindagi meri dance dance  
Bandagi meri dance dance  
Husn bhi mera dance dance  
Ishq bhi mera dance dance

Chhuke tera mahka badan  
Sanse meri jhoom jaye  
Dekhe jo tu aise mujhe  
Mere kadam dagmagaye  
Sanso se chhu mera tan  
Hotho se le hoth chhule

Baho mein ghere mein  
Aake tu kho jaye  
Pura ka pura tu mera hi ho jaye  
Yar mere pas itne pas aa aa  
Pyar karle pyar mein hi dub ja  
Do dil mile yun jhoom  
Ke jhoome sare aasma.
