

Zindagi se jung jeet lenge hum
Saathi agar tera saath ho
Zindagi se jung jeet lenge hum
Saathi agar tera saath ho
Haste haste hum sehle har sitam
Haste haste hum sehle har sitam
Haath mein jo tera haath ho
Zindagi se jung jeet lenge hum
Saathi agar tera saath ho

Phool khile aur murjhaaye
Suraj nikle dhal jaaye
Phool khile aur murjhaaye
Suraj nikle dhal jaaye

Sukh dukh jeevan ke do rang hai
Pal mein aaye pal mein jaaye
Gham ke kaale baadal ho ya aanson ki barsaat ho
Zindagi se jung jeet lenge hum
Saathi agar tera saath ho

Choti choti aasha ho chote chote sapne ho
Choti choti aasha ho chote chote sapne ho
Haste gaate ghar aangan mein chand sitare apne ho
Tum to jugnu ban ke chamkna din ho chaahe raat ho
Zindagi se jung jeet lenge hum
Saathi agar tera saath ho
Haste haste hum sehle har sitam
Haste haste hum sehle har sitam
Haath mein jo tera haath ho.
